A big thank you to all the coaches and team managers in organising your team's participation in this extraordinary Festival. Over the next few days, our expert team will provide a wonderful netball festival, recreational activities, team bonding, inspiration, friendships and more. With three competition days, participants will experience a sporting experience in beautiful Christchurch.

SPIRIT OF THE GAME

Play by the rules, play fair and "in the spirit of the game of Netball".

Contesting the ball is fine. Rough play will be penalised.
The spirit of the game dictates that players make sure they give other players on c**ourt, a clean game** for your team and the opposition.
Umpires are to be respected. Positive feedback only on the courts.
If there are no umpires, there are no games. Spectators and players, please remember that our umpires are human beings and may miss from time to time. They will do their best. If the umpires are hassled verbally, their umpiring deteriorates. Please try and boost their confidence.

We hope that this will encourage everyone to play in the true spirit of the game.

COMPETITION RULES

Registration

A player must be registered and paid for, to play in the International Netball Festival BEFORE TAKING THE COURT.

Playing in a Division

Players are not permitted to play down or across a Division. Once a player has played up for two games they will then be part of this team. They cannot play down again. All 1,2,3 placing teams' players must sign in at the Control Desk on Finals Day. New players will not be allowed to join a team on the Finals Day. Boys (13 years or under) can play in the 13/U Division only. There can only be three (3) boys on the court at any one time in a team—one boy in each third of the court.

Playing in more than one team

Players are not permitted to play in more than one team. Once players are registered in a team, they must stay in that team. If there are injuries and one team does not have enough players and wishes to pull a player from another team across the division, we will assess this at the time.

Scorecards and Points

Umpires only must collect scorecards from the umpire office. A scorer from each team must be supplied. Scorers must stand beside each other on the sideline. Scoresheets only are to be returned to the INF Control Desk by the winning team. Please have teams fill in Umpires award on the scorecard. Umpires need to sign and fill in points for the Team Sportsmanship Award. Points Table will be positioned at the clubhouse. It will be posted on the INF Facebook Page and website each evening.

Stoppages

Blood Policy Play shall cease immediately when blood is noticed. The player must leave the court immediately and may be replaced. The injured player may return to the court at the next centre pass if the blood flow has ceased, the wound cleaned and covered. If a shooter or centre is injured, the team may change one other player on the court to take that position. Stoppages are to be kept to a minimum.

Injuries There will be 30 seconds for minor injury. The player may be replaced. If a shooter or centre is injured, the team may change one other player on the court to take that position. Stoppages are to be kept to a minimum. They may re-enter the court after the next centre pass off, if they have not been replaced.

Send Off If someone has been sent off the court, they have to be off the court for a minimum of 2 minutes. They can go back on the court after 2 minutes, at the next centre pass off.

Wet Weather The INF President will make wet weather playing decisions. Games may be played in the rain unless a decision is made to postpone play. Safety is important.

In the spirit of the game of netball

COMPETITION POINTS

Three (3) points for a win, two (2) points for a draw and one (1) point for a loss.

Tie in Competition Points

If there is a tie with competition points at the end of competition, the team's placing in the ladder will be determined by the following, in this order:

1. The result of the game between the 2 teams – if that was a draw then,
2. A count back of goal difference - Goals For vs Goals Against. The team with the biggest goal difference will qualify ahead in the ladder – if this was equal then,
3. Fair play points as awarded by the umpires – if this is equal then,
4. A toss of the coin by the Tournament Director with the 2 team captains. (The team who has travelled furthest to the Festival will call the toss)

Draw at the End of a Final

The teams are allowed a 1 minute drinks break at the full time whistle. NO players can be changed. There will be three (3) minutes extra time each way. No break. If it is still a draw then it will be first team to reach a two (2) goal lead. NO change of players, no breaks.

TEAM ACTS

Each team is encouraged to create a Team Act to show at the **Meet and Greet**. It's a lot of fund and a great laugh.

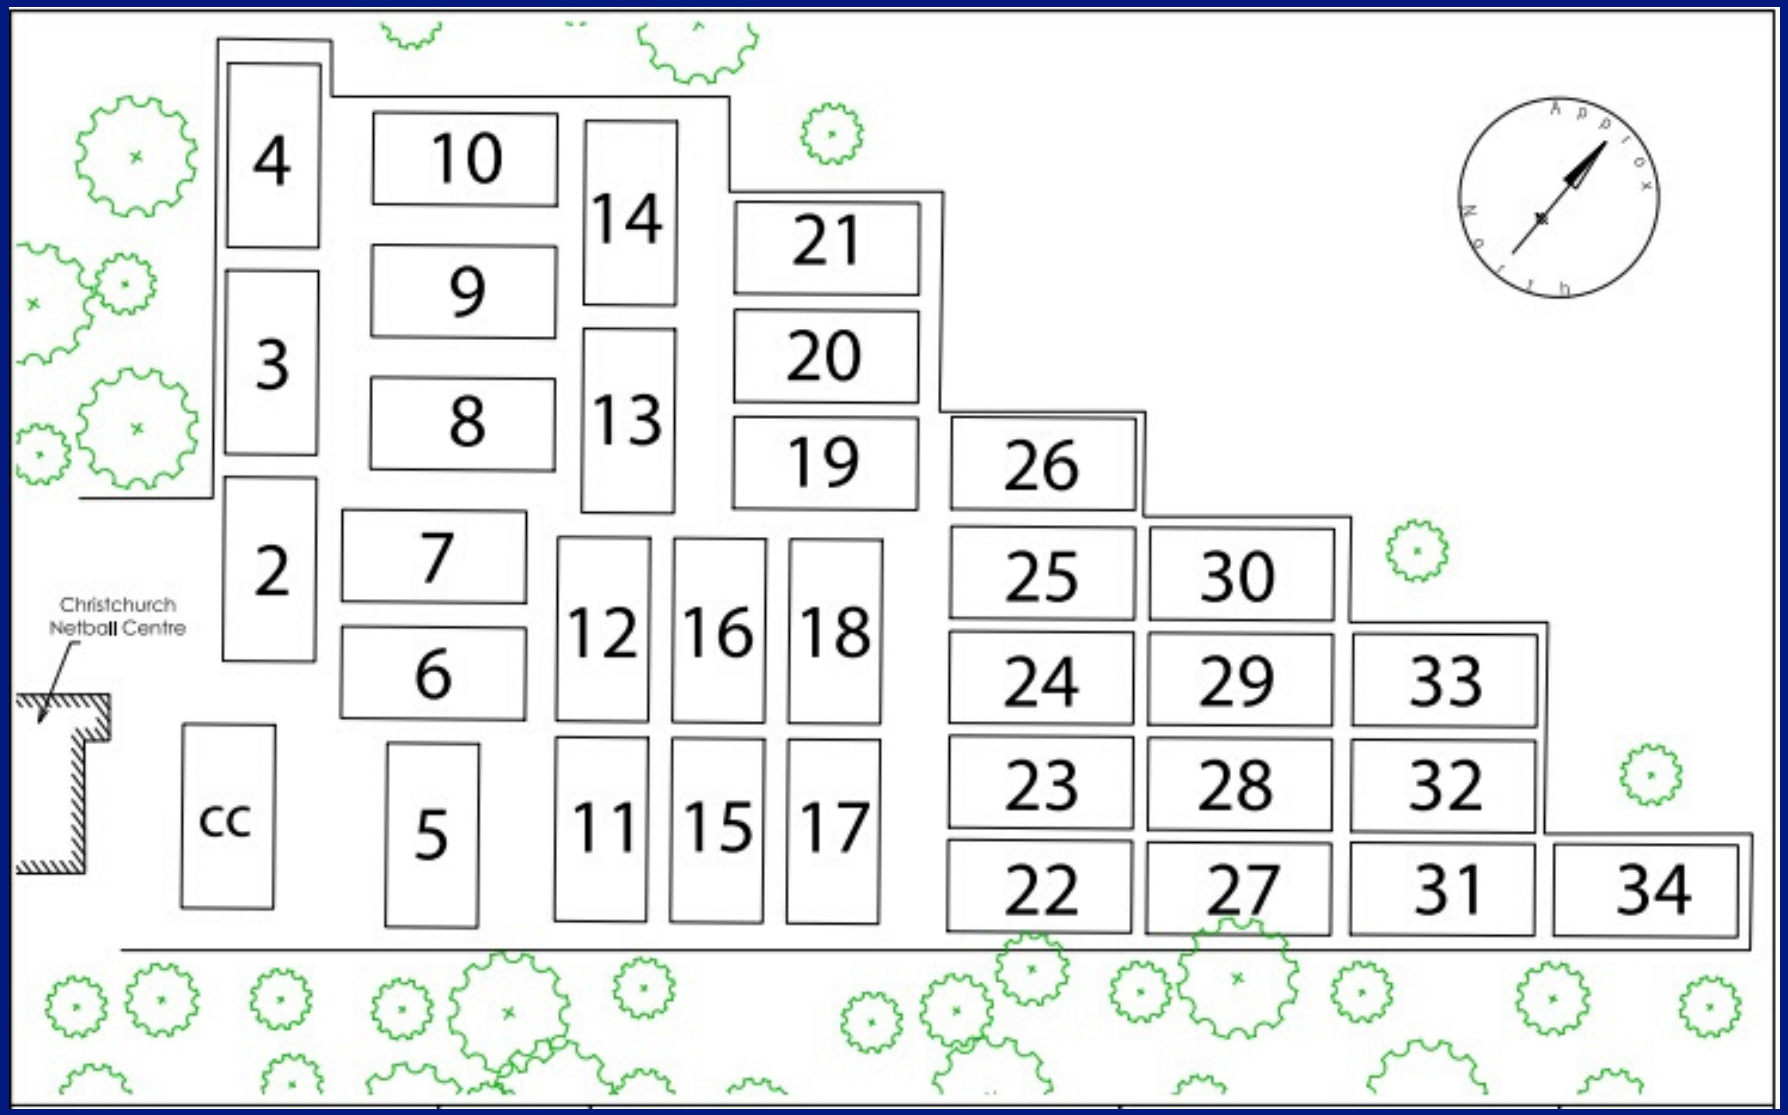
COURT LAYOUT



SPEAKER JANE RUSHTON

Author of Mind Tricks

Jane inspires and motivates people sharing her journey of her near fatal, head on car accident in Balcutha, New Zealand in 1992 where she was unrecognisable and had to learn to walk again. After over 20 surgeries, Jane realised she had to make a choice to be a victim or to learn how to heal herself and create more happiness in any area of her life.

With Jane's easy formula, "MIND TRICKS 5 KEY STEPS", Jane will demonstrate how to take responsibility of one's life to create more balance, bliss and productivity, easily and effortlessly. She will demonstrate to the players how to believe in themselves, to be the best they can be and that COMMUNITY and WORDS matter.

Jane will share at the International Netball Festival, her story and that by taking responsibility of how you think and act, what you say and what you do, affects everyone around you and in your team. Jane will demonstrate her easy “Mind Tricks methods” for you to try, so you can use them to be able to adjust your thoughts, as thoughts affect your moods, situations and behaviours. By using Jane’s method, you will work together as a team, with coaches or anyone in your life.

Jane, a successful Author, Master NLP, TLT, Hypnosis Practitioner and MIND TRICKS Coach, Spiritual Healer as well as the International Netball Festival President and Director of two companies, has been an entrepreneur since the age of 24.

Jane shares how she has chosen to live, work and be a mum with her injuries and ongoing operations whilst living a fit, healthy life with her amazing husband, Nick and four wonderful children, Olliver 22, Holly 21, Aimee-Rose 19 and Trent 16.
