Let the games begin

The International Netball Festival Team

An environment-friendly organisation

Spirit of the Game

Play by the rules, play fair and "in the spirit of the game of Netball".

Contesting the ball is fine. Rough play will be penalised.

Positive support from spectators welcome.

The spirit of the game dictates that players make sure they give others on court, often opponents, a fair chance. We encourage Festival players to be

good sports and applaud good plays, for your team and the opposition.

If we have umpires then we have games—no umpire, no game.

Umpires are to be respected. Positive feedback only on the courts. If there are no umpires, there are no games. Spectators and players, please remember that our umpires are human beings and may miss from time to time. They will do their best.

If the umpires are hassled verbally, their umpiring deteriorates.

Please try and boost their confidence.

Umpires' calls are final.

We hope that this will encourage everyone to play in the true spirit of the game.

Competition Rules

Registration

A player must be registered and paid for, to play in the 2018 International Netball Festival Fiji BEFORE TAKING THE COURT.

Playing in a Division

Players are not permitted to play down a Division or across teams.

Playing in more than one team

Players are not permitted to play in more than one team. Once players are registered in a team, they must stay in that team. **If an injury occurs, a player can play up twice only. After that, they need to join that team.**

Scorecards and Points

Scoreboards will be placed in the centre of the court. The scoreboards will be replaced there after each game. A scorer from each team must be supplied. Scorers must stand beside each other on the sideline. Scorecards are to be returned to the INF Control Desk by the winning team. Please have teams **fill in Umpires award** on the scorecard. Umpires need to sign and fill in points for the **Team Sportsmanship Award**—see page 9.

Points Table will be positioned at the Control area. It will be posted on the INF Facebook Page and website each evening.

Stoppages

Blood Policy

Play shall cease immediately when blood is noticed. The player must leave the court immediately and may be replaced. The injured player may return to the court at the next centre pass if the blood flow has ceased, the wound cleaned and covered. If a shooter or centre is injured, the team may change one other player on the court to take that position. Stoppages are to be kept to a minimum.

Injuries

There will be 30 seconds for minor injury. The player may be replaced. If a shooter or centre is injured, the team may change one other player on the court to take that position. Stoppages are to be kept to a minimum. They may re-enter the court after the next centre pass off.

Send Off

If someone has been sent off the court, they have to be off the court for a minimum of 2 goals. They can go back on the court after 2 goals, at the next centre pass off.

Wet Weather

The INF President will make wet weather playing decisions. Games may be played in the rain unless a decision is made to postpone play.

In the spirit of the game of netball

Competition Points

Three (3) points for a win, two (2) points for a draw and one (1) point for a loss.

Tie in Competition Points

If there is a tie with competition points at the end of competition, the team's placing in the ladder will be determined by the following, in this order:

1. The result of the game between the 2 teams – if that was a draw then,
2. A count back of goal difference - Goals For vs Goals Against. The team with the biggest goal difference will qualify ahead in the ladder – if this was equal then,
3. Fair play points as awarded by the umpires – if this is equal then,
4. A toss of the coin by the Tournament Director with the 2 team captains. (The team who has travelled furthest to the Festival will call the toss)

Draw at the End of a Final

The teams are allowed a 1 minute drinks break at the full time whistle. NO players can be changed. There will be three (3) minutes extra time each way. No break. If it is still a draw then it will be first team to reach a two (2) goal lead. NO change of players, no breaks.

Jane Rushton—Author of Mind Tricks

Jane Rushton inspires and motivates people by sharing her journey of her near fatal, head on car accident in Balcutha, New Zealand in 1992 where she was unrecognisable and had to learn to walk again. After many surgeries, Jane realised she had to make a choice to be a victim or to learn how to heal herself and create more happiness in any area her life.

Jane is an international speaker and will share how to take responsibility of your life to create more balance, bliss and productivity, easily and effortlessly.

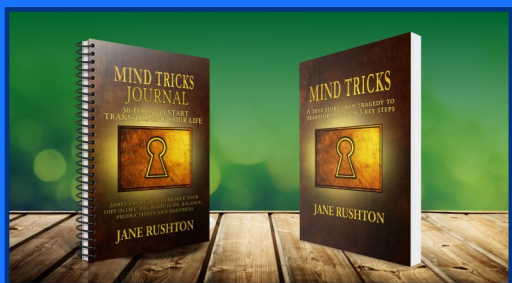

Jane will share with the International Netball Festival players, coaches and supporters, her story and that by taking responsibility of how you think, act and what you do, affects everything and everyone in your team. It comes down to how you think. Jane will demonstrate her easy “Mind Tricks methods” for you to try, so you can use them to be able to adjust your thoughts, as thoughts affect your moods, situations and behaviours. By using Jane’s method, coaches and players can work together as a team.

Jane, a successful author, speaker, Mind Tricks Coach, spiritual healer, Pilates and gym instructor, as well as an International Netball Festival coordinator and Director of two companies, has been an entrepreneur since the age of 24.

Jane’s love for sharing her vision, started over twenty years ago when she began her search to find direction in life, to uncover her passions and work through life’s challenges. Jane says, "Life's a Rollercoaster. It's good to learn how to reduce the dips in life". She has studied so many modalities in Personal Development, Natural Therapies, exercise and rehabilitation, she has lost count.

Jane’s second book “I Lost My Face”, will be published in 2018. Jane shares with you, her journey from the first days of her accident and how she has chosen to live with her injuries and ongoing operations whilst living a fit, healthy life with her adoring husband, Nick and four wonderful children, Olliver 21, Holly 19, Aimee-Rose 17 and Trent 14.
